

Privacy screens A1 and S1 and flower box B1

PRODUCT DESCRIPTION

Our privacy screens feature a sleek, modern aesthetic that complements any outdoor décor. Made from baked-on paint-coated aluminum, they withstand all weather conditions, ensuring long-term durability. A primer is applied before and after painting to optimize the paint's benefits. Maximize your deck space by creating more secluded areas or add intimate shade to your backyard patio. Looks can be tailored to your style with a variety of opening sizes or custom patterns available upon request.

- Easy assembly
- Industrial-grade aluminum
- UV protection
- Rust-free
- Weather-resistant
